### Editor's Take

Tony writes for the first time in 20 years and it's a smash. The subject of money is something we can all relate to. Except the likes of Mark Zuckerberg of Facebook fame, most of us struggle for it. Individuals jump ship to greener pastures to get more of it, organizations downsize to make their bottom-line look good, politicians jump on the soap-box to have access to it, and pastors demand it by extolling the virtues of paying tithes. You know what, I'm going to follow Tony's **7 SIMPLE STEPS TO FINANCIAL FREEDOM**. What are you going to do to get your save bulging with MONEY?
